## Field Trips or On-Site MGC Summer Camp is Fun for Everyone!

**Children of all faiths are welcome. Kids start the day with their group and counselor. MGC offers many activities, including the following:**

**Staff:** Mother of Good Counsel maintains a commitment to providing a highly qualified, caring staff of counselors. These individuals are selected based on their childcare and recreational skills.

**Games, Crafts, Toys and more!**

Our day camp facility has more than enough to keep us busy during on campus days. Counselor led crafts, board games, play sets and much more facilitate new friendships and bonds with our staff. Enderis Park is only a short walk away for even more fun!

**Gym:**

The Gym is air-conditioned. So no matter how hot it gets outside, we can keep cool while burning-up the court. Sports include basketball, volleyball, kickball, crab soccer and more.

**Vacation Bible School:**

Children have the opportunity to explore an interactive week of learning about Jesus at Vacation Bible School. Themed crafts, storytellers and games teach the values of our Christian faith.

**Field Trips:**

we travel to our field trips on school buses with professional drivers, trained staff and parent volunteers. Many programs provide docents or naturalists and we never swim without a lifeguard on duty. Additional fees required for all field trips.
