1. For social studies, please make sure to purchase either the Papermate Flair pen or the Uniball roller pen. These work best on the map work.
2. All materials need to be in continuous supply throughout the year, and all student supplies should be labeled with the student's name.
3. It is strongly suggested that each subject be given its own color for folders. It cuts down on confusion when packing up for the next class.
4. No Whiteout of any kind allowed.
5. Pencils are used in science & math class. Please be certain to have a sufficient number of pencils and erasers available
