

MGC Home & School Fundraiser Survey

MGC relies on the funds raised by our school families to help support many of the programs that are offered at our school. We need *every* school family to participate in our fundraising efforts so that MGC can continue to provide the fabulous educational experience we have grown to expect. Our Annual Auction is the main fundraising event for us, but we always kick-off the school year with a Fall Fundraiser in order to offer all families the opportunity to participate. The Home & School officers are issuing this survey to determine what our families would be most interested in selling next fall. Please take a few minutes to complete this survey. A printed copy can be sent to school, or you may email your response to ctourtillott@sbcglobal.net.

Because of the newly implemented Scrip Program and other fundraisers by groups associated with the school and parish, we are not considering any Pocket Peelers, coupon books or discount cards. Every fundraiser has its pros and cons, including cost, profit and volunteers' time commitment. One consideration is that food items are perishable and must be distributed immediately, both at our school and to the customers.

Please indicate which fundraiser you would be *most* interested in supporting:

Possible Fundraisers:

_____ Magazines/Gifts Catalogs (same vendor as this school year)
(Typical sales are \$5-\$40 per order with a 40-50% profit)
