

HIP HIP HOORAY, We Are 3K!

Ms. Judy Filut - Teacher

Happy New Year everyone! The month of January will be a busy one for K3 students. We will be working on basic skills, manners, and learning more about Jesus.

The children seem fascinated with learning about Jesus, and we'll continue with that. We are also going to work on prayer and praying more together. Along with our lessons about Jesus, we'll keep stressing manners, respect, and being helpful.

We'll talk more about the changing seasons, weather, and the calendar. Many of the kids have learned the days of the week, and we'll keep practicing them.

All of the kids know the letter that starts their first name now, and some know how to spell each letter of their name and the first letter of their last name. Quiz your child now and then to see if he/she is catching on. You may be surprised!
