

NOVEMBER NEWS!

*I like the fall, the mist and all
I like the night owl's lonely call
And wailing wind around.*

November is upon us, and with this month comes report cards. First quarter ends November 3; report cards soon follow.

A HUGE concern is the number of fourth graders who have chosen not to put forth the necessary effort to achieve their Accelerated Reader goals for first quarter. We have library every Monday and time during the school day to read for AR. Please double check online to find out your child's progress towards his or her goal. Remember, AR reading is 20% of your child's literature grade. Children who do not make their goal will be in our after school AR detention on Mondays for an hour.

We continue to talk about being responsible as part of our school wide theme. Please continue to sign and check your child's assignment notebook. Children are expected to take this home daily. Hand-written notes do not replace the assignment notebook.

Remember to mark your calendars as no school days for the afternoon of November 22, and all day the 23rd and 24th. School resumes on Monday, November 27. We are thankful for this little break to celebrate Thanksgiving with our families.

We continue to learn more about our state in Wisconsin history class. We look forward to our spring trip to Madison. We will visit the State Capital and the Wisconsin Historical Museum.

I want to thank-you for all your help and support.

Have a blessed Thanksgiving,

Ms. Updegraff
