

HOT DIGGITY DOG! WE ARE 3K!!

MRS. LANDOLT'S September Newsletter

I enjoyed meeting many of you at our Back to School Bash and our Get Acquainted Sessions. I am looking forward to a fun, learning-filled year together! Next week will be an exciting time getting to know your children, and I know that we are going to see so much growth and development as the weeks go on.

We will be spending a great deal of time this first month (and the entire year) on social skills. Three year olds are young, but it is so important for them to learn how to be social, polite, respectful human beings. It is our job as teachers and parents to take the time to teach them these skills.

We will be working on waiting our turn, listening quietly, and looking at the person who is speaking. If you will work on these skills at home, too, it will help your child to grow and become a polite, social person. We

must work together for the good of the children and give them every opportunity to grow and develop positively.
